DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 18 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

It is unclear if applicant is claiming an apparatus or a method. The preamble sets forth a device. However, in line 6 the claim refers to method claim 1.

Allowable Subject Matter

Claims 1-17 and 19-32 are allowed.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
